## DIRECT BILL/PAY PLAN PROCEDURES

This program is designed to simplify the sale and service of the personal auto policy by:

1. Allowing monthly payments to be made directly to 21<sup>st</sup> Century General Agency in lieu of a premium finance company;
2. Direct billing the insured for policy changes;
3. Direct billing the insured for renewals using a continuous billing cycle that has an extended number of monthly payments with a 16.67% down payment on a 6 month term and an 8.34% down payment on a 12 month term.

### APPLICATION FOR COVERAGE

A 21<sup>st</sup> Century application should be completed, ensuring that all questions are answered and that all appropriate signatures are secured. Policies can be written on a ONE MONTH, SEMI-ANNUAL term or ANNUAL term.

### PAYMENT OPTIONS - NEW BUSINESS:

1. Payment in Full. (No Power of Attorney accepted.) Attach to the application a check or money order for the entire gross premium made payable to 21<sup>st</sup> Century General Agency Inc.
2. Direct Bill/Pay Plan. Attach to the application a check or money order for the gross down payment. The balance will be billed in five [5] or eleven [11] applicable monthly installments. The first installment will be due in **20 days from the inception** of the policy and subsequent payments will be due every 30 days. Each billing will be mailed to the insured approximately 12 days prior to the due date and will include a \$3.00 installment fee.

Down payment calculations for new SEMI-ANNUAL policies are as follows:

Collect 16.67% of the total premium.

<u>Example:</u> Premium	\$ 500.00
Policy Fee	\$ 55.00
Total Premium	\$ 555.00

$\$550.00 \times 16.67\% = 92.51$  (Round to 93.00) **Total down payment is \$93.00**

Down payment calculations for new ANNUAL policies as follows:

Collect 8.34% of the total premium.

Example: Premium	\$1000.00
Policy fee	\$ 105.00
Total Premium	\$ 1105.00

$\$1105.00 \times 8.34\% = 92.16$  (Round to 92.00) **Total down payment is \$92.00**

### COMMISSION

Agents will receive full term commission for all policies produced the preceding month via a commission statement that will be sent by the 15th of each month. Unearned commission adjustments will be made on the same commission statement based on collected premiums (excluding fees).

### POLICY DISBURSEMENT

Newly issued policies will be mailed directly to the insured (and lienholders, if any) along with any requests for additional underwriting items. Agents will receive a copy of the policy and any memos sent to the insured.

### UPDATES

At the time of production, any premium uprates will automatically be processed as part of the initial premium. An explanation of what caused the uprate, as well as notification that the monthly payments will be higher than anticipated will be sent to insured.

Uprates on policies that were initially paid in full will be handled in a similar manner except the uprate must be paid in full.

**ENDORSEMENTS**

The insured should contact the agent for assistance and advice about making policy changes. 21<sup>st</sup> Century will process change requests without additional down payment, but collection of additional down payment by the agent would be helpful in avoiding uncollectible premium if the policy is canceled at a later date. The endorsement premium will be spread over the remaining payments. In certain instances, the size of the additional premium and the number of payments left in the policy term may make it necessary to issue an immediate Notice of Cancellation. This will be explained to the insured by memo and cancellation could be stopped in most cases upon receipt of the premium requested.

Endorsements will be mailed directly to the insured [and lienholders, if any] with a copy to the agent. The insured will be advised to expect higher monthly installments beginning with their next bill. Refunds created by endorsements will lower the balance due and thus lower the monthly installment beginning with the next bill.

Endorsements on policies that were initially paid in full will be billed directly to insured and will require payment in full. Refund checks on policies paid in full will be made payable to the insured and sent to the agent for delivery. (Insured will be notified by memo.)

**CANCELLATIONS**

No flat cancellations are allowed. Mid-term cancellations require the written request of insured. Cancellation refunds will be made payable to the insured and sent to the agent for delivery.

**PAYMENT OPTIONS - RENEWALS:**

The insured will receive a notice of 21<sup>st</sup> Century General Agency's offer to renew along with a statement of funds due. A copy of the renewal quote and statement will be mailed to the agent.

1. Payment in Full. (No Power of Attorney accepted.) Attach to the application a check or money order for the entire gross premium made payable to 21<sup>st</sup> Century General Agency.
2. Direct Bill/Pay Plan. The insured will receive a notice of 21<sup>st</sup> Century's offer to renew along with a statement of funds due. The semi-annual term policy premium will be payable in a down payment of 16.67% and 5
3. equal installments. The annual term policy premium will be payable in 11 equal installments with an initial down payment of 8.34%. The down payment will be due on or before the renewal inception date with the **first installment due in 20 days** and each subsequent installment due every 30 days. Each billing will be mailed approximately 12 days prior to the due date and will include a \$3.00 installment fee. A copy of the renewal quote and statement will be mailed to the agent.

Upon receipt of the insured's written request to renew and the appropriate monthly premium, a renewal policy will be issued. Requests to renew that are not postmarked prior to the expiration date will result in coverage terminating. To continue coverage, a new application and a down payment reflecting the loss of renewal discounts will be required.

**Annual renewal statements are calculated as follows:**

21<sup>st</sup> Century will collect 16.67% of the total premium.

<u>Example:</u> Premium	\$ 900.00
Policy Fee	\$ 105.00
Total Premium	\$1005.00

\$1005 X 16.67% = 92.52 (Round to 93.00) **Total down payment is \$ 93.00**

**Semi-annual renewal statements are calculated as follows:**

21<sup>st</sup> Century will collect 8.34% of the total premium.

<u>Example:</u> Premium	\$ 500.00
Policy Fee	\$ 55.00
Total Premium	\$ 555.00

\$555.00 X 8.34% = 83.82 (Round to 84.00) **Total down payment is \$ 84.00**

**IMPORTANT NOTE**

In instances where coverages need to be discussed or explained in detail, the insured will be referred to the agent, who is in the best position to survey the needs of the insured.

## **1 MONTH POLICIES**

### **BILLING PROCEDURE**

1. When initial policy is prepared, the first renewal billing will be mailed. Thereafter, on receipt of premium, renewal billings will be enclosed with a new dec and ID card.
2. Renewal premium is due 5 days before expiration date. If premium is fully paid prior to expiration date, a new dec and ID card will be mailed along with next month's billing. Coverage expires if premium is not received prior to expiration.
3. If premium is not received prior to expiration, a 2<sup>nd</sup> notice is mailed 5 days after expiration. The notice reminds insured that the policy expired and offers to rewrite on payment of one month's premium and policy fee, with coverage lapsed through date of postmark on mailing of payment. This offer is void if full premium due is not post marked before the 60<sup>th</sup> day after the expiration of the policy. (Failure to remit full premium due by this date will require a new application, premium and policy fee in order to produce a new policy).
4. Each monthly policy extension will be fully earned.
5. Endorsements made during policy term will be made at no premium charge. All policies will be updated at renewal and premium billed appropriately.
6. Premium balances or credits resulting from underpayment and overpayment will be carried over and applied to next billing.

### **POLICY DISBURSEMENT**

Policies and billings will be mailed directly to the insured, with copies sent to the Agent.

### **CANCELLATIONS**

No flat cancellations are allowed. Mid-term cancellations require the written request of the insured. Cancellation refunds will be made payable to the insured and sent to the Agent for delivery.
